Admission requirements

- The three-year course is open to musicians of any nationality who are no more than 28 years of age.
- Candidates must possess a 1st or 2nd Level Degree or Conservatory Diploma (old Italian system) earned in the discipline for which they are applying. If the degree was obtained abroad, it will be considered valid if it has been declared equivalent to a Conservatory diploma; it is the responsibility of any student admitted to a course to obtain the equivalence of the foreign qualification, pursuant to applicable Italian laws.

Exceptions to these requirements may be permitted only in exceptional cases, in the event of special, recognized artistic qualities and subject to the evaluation and approval of both the teacher and the President of the Accademia.

Provided that the above requirements are met, admission to the course is subject to an entrance examination.

The candidates shall appear at the examination bearing a valid identification document, as well as the musical material for their examination programme.

Attendance

Every course year is organized in twenty-five days of lessons held by the teacher, in which each student must guarantee attendance of at least 12 individual lessons, as well as participation in the collective and artistic activities included in the course curriculum.

The student shall organize his/her attendance schedule in accordance with his/her teacher.

Inability to attend one or more scheduled lessons shall be communicated to the teacher and to the academic office (segreteria didattica) as far in advance as possible, in order to allow re-scheduling of the other lessons. In the event of sudden inability to attend, this must be promptly communicated to the academic office (segreteria didattica) by sending an e-mail to didattica@santacecilia.it.

Repeated and/or unjustified absences may result in the exclusion from the promotion or diploma examinations.

In the event of interruption of the course for health-related reasons, the student shall be entitled to repeat the interrupted course year during the subsequent academic year, upon submitting a medical certificate.

Attendance cannot be suspended on educational or artistic grounds; in the event of voluntary interruption of the attendance, a new admission application will have to be submitted for the subsequent year, and the corresponding examination will have to be taken.

For each student, the overall duration of attendance will be determined by the teacher, and cannot exceed three years.

Students are required to inform their teacher of any educational and/or artistic activities outside the Accademia that are planned during course attendance; in this regard, students enrolled in other courses are asked to submit a certificate of enrolment of the attended courses (2nd level / master programmes, etc.).

Complementary Chamber music examination

To access the Diploma examination, students enrolled in solo instrument courses must also take, during the second year of attendance, a Chamber Music examination.

The examination will consist of the public performance of a trio, quartet, or quintet, working with other students in the courses.

This examination shall be prepared in the course of a Master Class held by **Maestro Andrea Lucchesini** and organized in five lessons.

Exemption from the obligation to take this exam shall be allowed only in the following cases:

- students who already hold a diploma from the Santa Cecilia Academy Chamber Music course;
- students who are enrolled on and currently attending the Santa Cecilia Chamber Music course;
- students in instrumental courses who collaborate with a Chamber Music ensemble for the preparation and performance of the diploma examination.

Chamber Music courses attended at other Institutions shall not be considered for the purposes of exemption.

Promotion examinations

At the end of each year of attendance, students shall take an examination for promotion to the subsequent course year, with the programmes indicated below:

Promotion from course year I to II

Performance of a programme composed of three pieces, one of which from the Classical or Baroque repertoire, one from the Romantic repertoire, and one from the modern/contemporary repertoire.

The programme shall be prepared in full; concertos and solo pieces shall be performed from memory.

The Panel may request the performance of all or part of the submitted programme.

Promotion from course year II to III

Performance of a programme composed of three pieces, different from those presented the previous year, one of which from the Classical or Baroque repertoire, one from the Romantic repertoire, and one from the modern/contemporary repertoire.

The programme shall be prepared in full; concertos and solo pieces shall be performed from memory.

The Panel may request the performance of all or part of the submitted programme.

Should a student fail to pass a promotion examination, he/she shall be entitled to re-apply for admission to the course only after one academic year has passed after the one during which he/she was not confirmed.

Diploma examination

Public performance of a concert programme, of the duration of about one hour, composed of the following pieces, at the candidate's choice:

- a piece for solo instrument or another virtuoso piece with or without piano accompaniment;
- a Sonata;
- a Concerto.

The student shall submit to the President of the Accademia Nazionale di Santa Cecilia, by no later than the date established and announced at the start of the academic year, three entirely different programme proposals, approved by the teacher. The diploma examination programme shall be chosen by the President of the Accademia and made known to the candidate 30 (thirty) days prior to the diploma concert. The concert programme shall also include a brief piece that shall be assigned by the President of the Accademia 30 (thirty) days prior to the examination date.
